| <b>Merit/Star Friday, 5<sup>th</sup> March 2021</b> |   |
| <b>All Class One &amp; Two</b>                      | I can't possibly choose one star this week because I have been so proud of the all the children I have been working with in Class 1 and Class 2. They have joined me for Maths and Phonics every day and they have all been amazing. It has been lovely to see them working hard and trying their best (parents included) and I never knew how much fun could be had playing tricky word bingo!   |
| <b>Class 2</b>                                      |   |
| <b>Rueben H</b>                                     | A fantastic information text about bread that included all the items in our Yoxall toolkit. He included a fantastic bullet pointed list which told us about various different types of bread and where the originated!  |
| <b>Johns S</b>                                      | Another amazing information text, John remembered? / ! sentences and an ENP in the introduction and then a bullet pointed list explaining how to make bread- well done.   |
| <b>Joshua D *</b>                                   | Brilliant engagement in school and at home. Super work at home on his maths work, we've loved seeing his labelled shapes made with lolly sticks.  |
| <b>Class 3</b>                                      |   |
| <b>Teddy S</b>                                      | For your great water cycle picture  |
| <b>Joshua M</b>                                     | For a fantastic water droplet story-board and experiment.   |
| <b>Gaia D</b>                                       | For some great maths learning looking at beginning fractions earlier this week.   |
| <b>Cody O *</b>                                     | For working so hard and consistently throughout lockdown.   |
| <b>Class 4</b>                                      |   |
| <b>Sam R</b>  | For his fabulous and informative book review and World Book Day art work. Sam made a few different marine animals and fish with recyclable material - they looked amazing.  |
| <b>Milo H</b>                                       | For his world book day art work - Milo created a marine animal out of recyclable bottles and cardboard. Brilliant Creativity, Milo.   |
| <b>Daisy H *</b>                                    | For her brilliant engagement in C4 live Guided Reading session and her lovely art work. Daisy followed a Marine Biologist theme, creating a jelly fish and an oyster out of tin foil and sweet wrappers.  |
| <b>Class 5</b>                                      |   |
| <b>All Class 5</b>                                  | I would like to give every member of class 5 the star for this week, this month, the start of 2021! They have all worked so hard, in challenging circumstances and have been resilient to change and difficulties they have faced. They have always remained so positive, happy, smiley and kind, throughout the whole of the last few months of online learning. I am so so proud of all of their efforts, they never fail to put a smile on my face. You are all so hardworking, dedicated, inspiring and I look forward to having you all back in school! Well done Class 5- you are all super stars 🌟 |
