

TO THE CLASS OF 2021

YR 6 LEAVER'S

This year has not been easy for you, with more lockdowns, distancing and bubbles. You have not been able to play with other classes from other year groups and never got to sit on the benches in assembly, which I know you were wishing you could do. We find ourselves performing our leavers assembly outside and doing things slightly differently, but you take it all in your stride with smiles on your faces.

You are a fantastic group of young people and you have shown resilience throughout this year and determination to continue your learning and to succeed in all that you do and all that you put your mind to. You are all so incredibly talented and I am so lucky to have been your teacher this year.

We have experienced such brilliant times together, a lot of laughter and a few tears, fun memories and things we will never forget. You all amaze me every day and you should be so proud of the young people you have become, you have all come so far this past year.

There are no end to you're talents. Artists, Sportsmen and women, Geographers, Scientists, Writers, Mathematicians. The list is endless with you all in class 5.

As we wave goodbye to you, you shall be waving hello to new exciting opportunities in your life. Remember, take every opportunity, Take them with both hands and remember you can achieve anything you put your mind to.

Believe in yourselves! Always be kind! Always be you and don't let anyone dull your sparkle! Have fun! Be good and stay safe.

Miss Goodall and Mrs Perry
