

Yoxall Conservation Group

Save The Date!

We will be holding a LAUNCH DAY for this new group on **Sunday, 26th September 2021** at GOOSE GREEN. Please do come along and join in with the event which will have a variety of stalls and information points suitable for all. Why not make a morning or afternoon of the event and bring along a light picnic?

Just as a reminder, the purpose of this new group will be to encompass all aspects of our local countryside including our many public footpaths.

We will be working with landowners and local organisations/groups (such as The National Forest) and are now seeking the support of Yoxall villagers, so do please come along and not only see how you could assist but find out more about our local rivers and ponds, flowers, birds and wildlife.

This is a really exciting opportunity for Yoxall to become actively involved in the preservation of our beautiful countryside.

Entry to the event will be free and further information advertised in due course. In the meantime, save the date and think about what to put in your picnic!
