

CLASS 1 NEWS

September 2021

Dream, Believe, Learn and Achieve...

This half term looks amazing!

Our topic this half term is 'Me and My Friends' so our learning will be loosely based around this theme.

Literacy

We will be reading lots of books this half term including 'Bear at Home' and 'The Colour Monster' and will base some of our learning around these books, talking about our homes and families and also our feelings.

In phonics we are starting to learn letter sounds and will bring home our first reading books. In school, we will have lots of practise hearing and saying initial sounds, writing letters and using Fred talk.

Maths

In Maths, we will be learning to match, sort and compare objects and numbers. We will be exploring the numbers 1, 2 & 3, positional language and finding one more and one less.

RE

In Re we will learn about the creation story with some help from Reverend Brady and why the word God is so important to Christians.

Understanding the World

This half term, we will be exploring different people in society, by looking at 'People Who Help Us'. We will listen to and enjoy lots of stories rhymes and poems to begin to learn about changes that happen over time. We will talk about our own families and lives and understand that not all families are the same. We will talk about our immediate environment and where we will live, and will learn about some of the key features of villages like Yoxall.

Expressive Arts and Design

This half term, we will be looking at self-portraiture. We will experiment with drawing, taking photographs and creating pictures using natural objects like sticks and stones.

We will also look at freestanding structures and practise the skills we need to build one. We will explore different construction materials, practise using basic tools such as scissors and hole punches with different materials.

SMSC/PSHE

In Jigsaw, we are learning our topic is 'Being Me in My World'. We will learn about our feelings, how to be at school and having kind hands.

PE

In PE, we are learning about travelling and spatial awareness, rolling and dribbling balls and throwing with accuracy.

Music

We will enjoy a range of nursery rhymes and songs, we will practise singing and performing. We will explore body percussion and rhythm.
