Entrust Music—Certificates of Achievements

We would like your help in celebrating the progress made by pupils from your school that have been learning to play an instrument or sing with our teachers this year. This is especially significant considering the many disruptions and challenges that children have experienced through 2020/21

We want to let you know that the following pupils at your school have progressed through our assessment levels, as identified by the teacher, and we congratulate them on doing so as this takes hard work and commitment on their part.
