# WEEKLY NEWS

Yoxall St Peter's

HAPPY EASTER

Thank you very much to all the parents that completed our recent wellbeing survey. The children and staff have also completed surveys and all the information is being analysed so that we can take appropriate actions to provide a better provision for emotional wellbeing and mental health for all at Yoxall.

*Thank you again. The Senior Leadership Team*

## CLASS 4 RAISE MONEY FOR CANCER RESEARCH

At Yoxall St Peter's Class 4 decided, as a class, that they would raise money for Cancer Research. This was part of their SMSC unit on 'Dream and Goals'. The children discussed how they could help others to achieve their dreams and goals. They then wrote to Mr Draper to ask if they could hold a **fundraising day for Cancer Research**. He was more than happy for this to go ahead and a Just Giving page was set up. As many of you will be aware, our dear governor Angela Grandfield passed away last year. We dedicated the day to her and her esteemed memory.

On Friday, 1<sup>st</sup> April they held a silence for 2 hours and in the afternoon, they took part in sporting challenges.

**We are very proud to report that they raised**

**£200**

***What an achievement!***

***Well done Class 4***

## BAKE SALE FOR WWF

Sophia and Megan, in Class Five, wrote an eloquent and poignant letter to Mr Draper, highlighting the perils facing the environment and expressing a wish to raise funds for the World Wildlife Fund. He wholeheartedly supported their endeavours.

On Friday, 8th April 2022 the sale was held and an array of Cakes and Bake went on display in the school yard, after school.

***We are pleased to inform you that girls have helped to raise***

**£160**

***Well done girls, you should be proud***
