

# CLASS 4 NEWS

September 2022

*Dream, Believe, Learn and Achieve...*

## **This half term looks amazing!**

This half term we will be doing all sorts of things. They will be amazing. Just look at the things we will be doing:

### **English**

We will start the term by reading the inspiring novel 'Charlotte's Web' by E. B. White. We will look at setting and character descriptions and also write some diary entries. We will practise our speaking skills and public speaking in some drama lessons. We will enjoy reading the picture book, 'The Promise' by Nicola Davies and discuss themes and messages that the story portrays. We have started using Spelling Shed in class and also at home to help us improve our spellings in a fun and engaging way. In Guided Reading we are practising our VIPERS skills and PEE (Point, Evidence, Explain) through texts and pictures.

### **Maths**

We will learning about place value which includes Roman numerals, representing numbers, counting, comparing/ordering and rounding. We will also learn about addition/subtraction and multiplication/division. Please keep practising times tables for quick recall.

### **RE**

We will be discussing about different people of God and different beliefs on how the world began.

### **Science**

We will be learning about Animals including Humans and learning all about our digestive system. We will also begin to learn about States of Matter (solids, liquids and gases).

### **Geography**

Our topic is 'Using and Describing maps'. We will learn about the locality of the equator and tropics and describe the climate within the tropics.

### **History**

We will be improving our knowledge of The Stone Age using time-lines and historical dates.

### **Computing**

We will be practising our computing skills using Purple Mash and focus on improving our Coding skills.

### **Art & DT**

We will be learning all about Stone Age art. The children will recreate a piece of Stone Age Art for the class display.

### **SMSC/PSHE**

We will be learning all about ourselves and how to be better.

### **PE**

We will be learning new skills in football and netball.

### **Music**

We will enjoy practising our guitar playing with Mr Walters on Wednesday afternoons.

### **French**

We will enjoy learning how to write and speak about hobbies and pets.
