## Happy New Year!

### English

We will look further at setting and character descriptions for story writing. We will also improve our ability when writing fact files, newspaper articles and diary entries

During the term we believe we have sorted out Spelling Shed for the class so please use it at home to help us improve our spellings in a fun and engaging way. In Guided Reading we also still practise our VIPERS skills and PEE (Point, Evidence, Explain) through texts and pictures.

### Maths

We will continue our learning of multiplication, division, and fractions. We will also recap our times tables facts so please keep practising them to improve your quick recall. Please use TTRockStars or White Rose 1-minute maths to support this.

### RE

We will study Hinduism with reference to their houses of worship.

### Science

We will finish learning about the properties and changes of materials including information regarding the water table. Will also look at Electricity and Sound We plan to improve our skills regarding identifying, constructing, recognising, and explaining by giving reasons.
