

CLASS 5 NEWS

April/May 2023

Dream, Believe, Learn and Achieve...

This half term looks amazing!

Summer 1 2023

Hi everybody – this is our Summer 1 newsletter.

Easter already! We have had such a fantastic spring term here in Class 5. Everyone has been working flat out this term and I am confident that every child will reach their potential.

This term, in Maths we will be revisiting some of our prior knowledge to check our understanding before moving onto statistics and the properties of shape.

You can help your child by ensuring they complete weekly homework set as this consolidates learning from the week and revisiting units from the CGP books and testing using the 10 minute boosters.

In Literacy, we will be focusing on instructional writing and consolidating all of our learning on GPS.

You can help your child by encouraging them to read at least four times a week and sign their reading records – I will be giving out raffle tickets to children to read regularly 😊

In Science, we will be learning about living things and their habitats

In History and Geography, we will be looking in depth at tourism and early Islamic culture.

In RE, we will be learning more about Islam.

In Computing, we will be coding and programming systems.

In PE, we will be focusing on tennis and rounders.

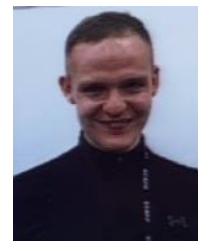

In Music, we will be learning all about how to use instruments to accompany our voices.

On the back are diary dates & reminders of key days.

Yours in Partnership

Mr Andrea
